

FOR IMMEDIATE RELEASE

Mark Shepard Shares His Inspiring Story In His Debut Book – “Get Your Greater”

Raw and real, Get Your Greater is the true story of Mark Shepard losing his mother before the age of 10 in a horrific act of violence, getting assaulted while in foster care, suffering mistreatment from his family, and striving to survive while living on the streets with his young sons.

Chandler, Arizona, April 17, 2023 – Thousands of books are published each year in a myriad of genres. Certain genres can wield the power to change lives. The Inspiration Genre is well known for producing books that have such a powerful message that they inspire deep thought in its readers. As a reader becomes introspective, changes can occur that will affect their lives.

No doubt the forthcoming book by Mark Shepard - [Get Your Greater](#) - is such a book. It has already garnered rave reviews. Raw and real, *Get Your Greater* is the true story of Mark Shepard losing his mother before the age of 10 in a horrific act of violence, getting assaulted while in foster care, suffering mistreatment from his family, and striving to survive while living on the streets with his young sons.

He goes from grate to great, sometimes sleeping on a cold bed of metal bars, to eventually taking charge of his life to lead one filled with love and gratefulness. Pulling himself up from the lowest of lows as a homeless teen and later as a grown man living on the streets of Washington, D.C., Mark escaped the unimaginable.

He navigated a life filled with trauma, abandonment, sexual abuse, and physical cruelty and shares personal and poignant accounts that will leave readers completely speechless. [Get Your Greater](#) reveals mercilessness that no child should ever have to feel, ordeals that no human should have to experience but that Mark faced and ultimately overcame.

Get Your Greater celebrates the movement of God through Mark's life, a movement that was always steady but that would, at times, feel slow. And Mark encourages others to have faith and never give up, to be resilient, patient, and steadfast. When a person reads *Get Your Greater*, they walk away knowing that no matter their personal trial or path in life, there is a reason for it all and a greater one is awaiting them. All that's left to do is to go get it.

About The Author:

Mark Shepard lives and works in the city where he was born and raised, Washington, D.C.

ABOUT BMcTALKS Press:
